2. Consistent disregard to the sick policy for a child being allowed to attend pre-school. Child consistently being brought with fever or contagious conditions.
3. Constant Abusive behavior whether physical or verbal toward provider or other children. Excessive use of force by hitting others or negative down talking.
4. Failure to comply with medical and immunization requirements. Parent neglecting to bring in up to date shot records in timely manner.

Nutrition Policy

Happy Corner Academy is part of Child Care Food Program and as a part of our agreement we serve healthy balanced meals daily to our children. We serve breakfast, lunch and afternoon snack daily. Each breakfast served will contain 1 serving of either fruit or vegetable, 1 serving of a grain and one serving of milk. Each lunch served will contain one serving of meat or meat alternative, 2 servings of fruit or vegetable or 1 serving of each, one grain and one serving of milk. Afternoon snack will consist of 1 serving of fruit or vegetable and one grain. At least one meal per day will consist of a 100% whole grain component. The weekly menu will be posted on our informational bulletin board for review. All food is prepared in our kitchen and all sanitary practices are followed. Every child at registration is required to fill out a food experience permission form. You are asked to list any food based allergies or food restrictions that child may have. Please make sure if your child develops a food allergy or if your child's food restrictions change that you notify the school as soon as possible so that we can update your files. For your child's birthday you are welcome to bring in a treat for the class to share but we do ask that you check with your child's teacher for any allergies in the classroom before bringing something in. All treats must be store bought and cannot be home made.
